### SELECTION GUIDANCE

Objective is to select applicants that are technically, operationally and administratively proven while demonstrating **Sustained Superior Performance** (i.e. Consistent Hard/Soft evaluation breakouts; above RSCA etc.) in increased levels of technical management within their specialty.

If the applicants' quality supports the total number of quotas, select to the requested numbers. However, if the quality level does not support the total number, it is important that only those who are **"Best and Fully Qualified"** are selected.

Applicants must have demonstrated strong leadership traits, adaptability, produced a body of work that equates to potential success as a Naval Officer and possess significant in-rate experience.

The following watch station qualifications and technical abilities are highly desirable, to include but not limited to:

1. Officer of the Deck Underway (OOD U/W), Junior Officer of the Deck (JOOD), and Conning Officer (CONN)
2. Well Deck Control Officer
3. Craftmaster, Small Craft Officer-in-Charge (OIC)

### THE APPLICATION

Read [OPNAVINST 1420.1B](#) and [NAVADMIN 142/19](#). Go over them carefully during your application process, making note of sections applicable to you as an individual candidate. These are your source documents for submitting an application, only language or policy promulgated by a more current NAVADMIN message for the current application cycle will override what is written in this directive. The application is your resume to the board demonstrating your potential for selection as a Naval Officer. The format is standardized as selection board members must sort through hundreds of them, and it is easier if they are all alike. Think of your package as one of many applications for the same great job -- you have to beat out the competition. You won't get extra points for excess. Do not include information that is already in your service record unless required by [OPNAVINST 1420.1B](#) or [NAVADMIN 142/19](#). Be sure the application is "COMPLETE," in the proper format and that spelling and grammar are correct. Your personal statement is very important; it's your chance to tell the board why you believe you would make a great LDO or CWO. Be brief -- no more than two or three short paragraphs.
