## LDO AND CWO OFFICER COMMUNITY MANAGERS NEWSLETTER

Silver Eagle - CAPT Rich Verbeke

Senior Warrant Officer in The Navy (SWON) - CWO5 Steve Pelon

### *Farewell from CWO Community Manager, CWO5 Mitch Allen:*

*Fellow Mustangs, it is with mixed emotions that I write my final article as an active duty member of our Navy. I will be retiring on Friday October 24<sup>th</sup>. Any of you in the Millington area please stop by. My job will be vacant until the arrival of CWO5 "Liz" Rivera. Liz was the ideal candidate for this job and will represent our community at the highest level.*

*As I depart I need to say thanks to many people but based on my words per minute (typing speed), I can't thank everyone and still meet the posting date. I do need to thank my family (Ellen, Mitchell and Craig) for their years of support. I also need to thank our community leadership beginning with RADM Quinn and RADM White.*

*During my tour, we have needed and certainly have received outstanding Flag representation in the management and shaping of our communities. As the CWO OCM, I would be negligent not to thank ADM Ferguson, who provided a much needed vote to the law and policy changes that will provide more equitable retirement packages to all Navy CWOs. I want to thank my bosses, Captain Scot Abel who brought me into this position and allowed me this unique opportunity; to have input on our communities. To Captain John Jones who inherited me and allowed me the opportunity to fully engage my passion of manpower / manning as we began the implementation of the "sustainability initiative." To Captain Len Friddle who continued to provide me latitude in the management of the community. To CDR Bill Johnson for his continued support of the community as our mission of building viable careers for all LDOs and CWOs continues. Finally to the rest of the team (during my tenure), LCDR Shane Walker, LT "Leo" Peterson, and Mr. (LTJG) Dondre Rittman, I am indebted to each of you for your leadership, support and candor. Each of us has been fortunate to have such a dedicated group of professionals representing our team. To the entire Mustang community thanks to you and your families for all you do each and every day.*

*Very Respectfully,  
Mitch*

## Trip Report

### **Norfolk: totals – 142 Mustangs and applicants:**

Special thanks to COMOPTEVFOR Staff for funding this trip. Although quick and short notice, we were able to hold a few briefs. We were also able to attend the Change of Command ceremony of CAPT Jeff Sheets as he was relieved by CDR Terry Walton. Congrats on Command! Lastly, thank you goes out to CDR Maxine Goodridge, CDR Bruce Bronk, LCDR Sue Beckman and LT Corey Cheek for participating in our Applicant Roundtable on NOB. Your experience and insight was well received by those applicants in attendance and much appreciated. Thank you for taking the time out of your day to assist in our Mentoring and Recruiting efforts.

***From Officer Training Command Newport (OTCN) – LDO and CWO Academy:*** GOOD NEWS for all new accessions reporting to the LDO and CWO Academy! All LDO and CWO students are now residing in the Navy Gateway Inns and Suites (NGIS) on board Naval Station Newport. During your stay in NGIS you will have a private room with bath, free Wi-Fi, cable TV, refrigerator, microwave, coffee maker, and more. Below is some important information that you need to know prior to reporting:

- 1) Do not call NGIS to reserve a room. The LDO and CWO Academy staff will reserve your room with NGIS prior to your arrival. NGIS check-in is at 1500 on Sunday, the day before your class convening date. There are two classes in FY-15 that will begin on a Tuesday due to a holiday (Memorial Day & Labor Day). Your NGIS check-in will be on Monday at 1500.
- 2) If you are reporting to OTC Newport on Saturday, we need your help. This also applies to the two classes starting on a Tuesday after a holiday. Please call the NGIS front desk at (401) 841-7900 as soon as possible and request to check-in a day early. You will need to inform them that you are attending the LDO and CWO Academy Course.
- 3) Upon arrival at OTC Newport, and prior to checking into NGIS, report to King Hall (Building 291) Quarter Deck and have the watch stamp your orders. Civilian attire is authorized at check-in.
- 4) Report to the NGIS Front Desk (Building 1312) located at 1312 Meyerkord Avenue for your room assignment.
- 5) You will be required to settle up your payment with NGIS every two weeks. The NAVSTA Newport NGIS daily rates range from \$58.00 to \$86.00.
- 6) We suggest that you request a lodging advance prior to arriving at OTC Newport. To prevent from being overpaid, we recommend that your detaching command use the lowest lodging amount (\$58.00). While here at OTC Newport, you will have an opportunity to request any further advances that you are entitled to.

Congratulations on your upcoming commissioning, and we look forward to your arrival here at the LDO and CWO Academy! Please address any questions to LCDR Kirk Nichols, LDO and CWO Academy Director, Email: [daniel.k.nichols@navy.mil](mailto:daniel.k.nichols@navy.mil); or Phone: (401)841-3344.

**Mission**

*The Limited Duty Officer and Chief Warrant Officer Community support the war-fighting capability and readiness of Naval Forces through leadership, technical proficiency, and experience. We are the primary manpower source for technically specific billets not best suited for traditional Unrestricted Line, Restricted Line or Staff Corps career path Officers. Using critical enlisted experience, we are committed to the continuous leadership, improvement, training and mentoring of Sailors.*

**Vision**

*We will achieve and maintain the highest degree of technical excellence within our specialties in order to ensure we are poised to continuously contribute to the war-fighting capability and readiness of Naval Forces. Fundamental to this vision is our ability to constantly strive for improvement through training, education, qualifications, and being fully integrated with our fellow wardroom members. We will seek out the toughest challenges in our command and do our utmost to positively influence them. We will at all times maintain the highest standards of personal integrity, setting the example for those with whom we work and those who we lead. We will always be personally and professionally prepared to support the manning requirements of the Navy and ask for the most challenging assignments commensurate with our rank. We are a community with great pride and history. We will honor those who paved the way for us by remaining humble through our actions and actively searching for and mentoring those Sailors who possess the technical expertise and leadership traits required in a wardroom in order to groom them to one day relieve us. Our success will be known to those who follow us by the reverence in which our community is held by the Navy.*
